STUDENT CLUBS

Passionate students organize meetings with high-profile guests, conferences, and events. They collaborate with businesses and foundations, engage in key city initiatives, and participate in competitions. Joining these projects allows them to build valuable networks, hone their skills, and broaden their horizons.

sKOŁOwanie

Interested in joining a Student Club?

The annual Student Clubs Fair "sKOŁOwanie" will take place on October 27 on our Faculty's patio.

From 11:00 AM to 2:00 PM, you will be able to check out what the clubs have to offer and participate in exciting contests.

FACULTY STUDENT COUNCIL

The Faculty Student Council represents the students of our Faculty and helps them solve academic issues. By initiating projects and collaborating with other organizations, it promotes and drives the development of both the Faculty and its students.

Being part of the Student Council can be an adventure, a challenge, and a place to develop your passions, turn your ideas into reality, and show initiative. At the same time, you will gain invaluable experience that no regular class or internship can offer.

WZ BAND

Energy, passion, and music that brings people together.

This is a music band active at the Faculty of Management, bringing together both students and staff of WZ UniLodz. The group's activities are driven by a love for the stage, a commitment to great sound, and the discovery of new possibilities for making music together at the Faculty.

Every performance is carefully crafted to be a mix of emotions, great fun, and memorable sounds that linger long after the show.

STUDENT MOBILITY

Erasmus+
Zmienia życie, otwiera umysły.

Erasmus+ this European Union program allows students to spend a semester at a foreign university or complete an international internship.

It gives you the chance to study in a multinational environment, improve your language skills, and gain valuable experience that will boost your future career.
